Profile

Recent Interactive Media Design graduate with 2+ years of experience as a Graphic Designer, skilled in creating compelling visuals and digital content. Proficient in Adobe Creative Suite, with a strong ability to produce motion graphics and a working knowledge of HTML and CSS. Actively seeking a role that will leverage my existing skill set while offering opportunities for professional growth and development in the innovative design industry.

Experience

Sep 2020 - July 2021

ShreeJee Technologies
(Vapi, India)

Graphic Designer

Communicate with local vendors, understand their requirements, and design banners and posters for local shops.

July 2021 - April 2022

Syncworks
(Mumbai, India)

Graphic Designer

Designing banners, posters, standees, brochures and social media posts for client like Mahindra, Everest and Epsilon

November 2022 - Ongoing

Lisa Kiss Design
(Toronto, Canada)

Internship

In the initial draft, I ensure all essential information and formatting are included, perform image edits, and integrate them.
